

WHERE TO PURCHASE CORN-BASED PRODUCTS

In the exciting world of agriculture and technology, new products made from corn are continually being introduced. The Corn Marketing Program of Michigan (CMPM) hopes that corn-based products will be your preferred choice as they become increasingly available. Please find below a listing of the most frequent manufacturers and/or vendors of corn-based products. A comprehensive list of more than 650 products made from corn can be found on the National Corn Growers Association web site at www.ncga.com.
