## MAEAP Verification Scholarship and Sign Rebate Form

The Michigan Agricultural Environmental Assurance Program (MAEAP) is a voluntary pollution prevention program developed to assist both cash crop and livestock farmers who wish to comply with environmental regulations.

The Michigan Corn Growers Association (MCGA) is awarding a \$200 scholarship and a \$75 sign rebate to MCGA members who have earned MAEAP verification. The sign rebate is available to MCGA members who have completed MAEAP verification and are purchasing MAEAP verification signs. To receive a rebate and/or scholarship, please fill out this application and return to:
